MATCHDAY GUIDE

23 / 24 SEASON

WELCOME FROM CAPTAIN GAS

Hi everyone! I'm Captain Gas, the official mascot of Bristol Rovers Football Club. If I'm not hanging about with the team, or searching for buried treasure, you can find me out and about The Memorial Stadium!

I'm here to guide you through everything you'll need to know for your upcoming visit to watch Rovers!

Before we go into things in more detail, we have made a rough timeline to help new families with their visit - show the next couple of pages to your parents so they can plan your day out.

A FAMILY FIRST VISIT TIMELINE

PRIOR TO THE GAME

Secure your Tickets:

Firstly, you'll need to secure tickets for the fixture you intend to come to; you can browse and purchase tickets to our upcoming fixtures **HERE**. We recommend tickets within the MKJ Group Family Stand, or if you desire a terrace experience, we recommend the Cooling FX Terrace.

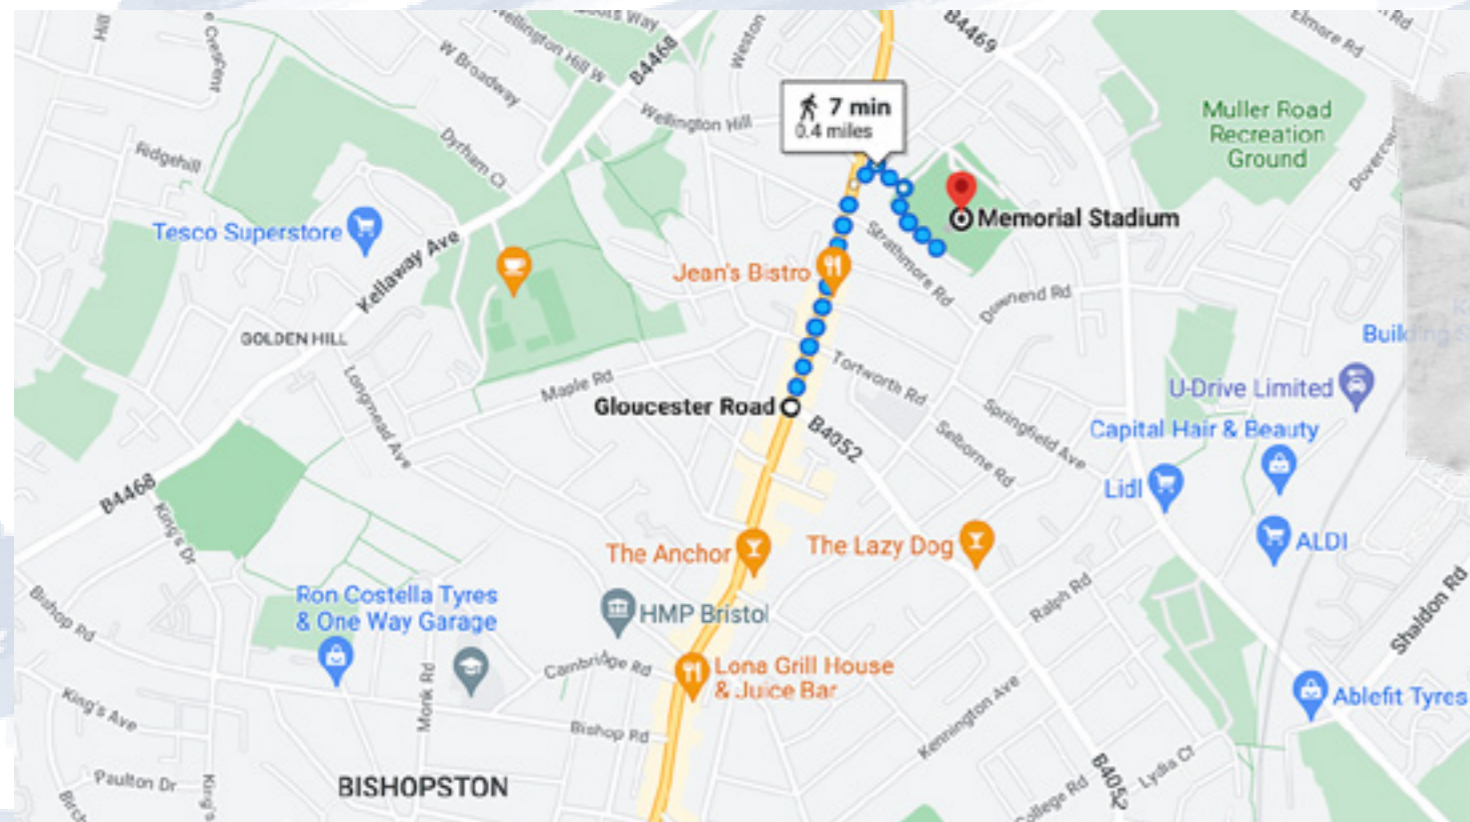

Read our Home Fan Guide:

Before your visit to The Mem for the first time, ensure that you read our Home Fan Guide **HERE** after you have finished this guide. This will provide you with a more comprehensive overview of your day, covering everything from directions to and around the stadium, travel and ticketing.

MATCHDAY

12:30pm – Park up on Gloucester Road:

As The Mem has extremely limited parking, we would recommend parking up off Gloucester Road, as there are many residential streets with free parking. From Gloucester Road, you can then expect a 7–12 minute walk based upon how far down you park:

If Gloucester Road is busy, you can also try Muller Road or Kellaway Avenue, both of which are a 12–15 minute walk to the stadium.

1pm – Visit the Club Shop:

When you then get to the stadium, visiting the club shop will provide a great start to your day! Each matchday we run a kids' competition, which you will be able to ask about in the shop. Also, you can pick up one of our Kids' Activity Packs, and a colouring page for free. Don't forget to then purchase some Rovers merchandise to get you into the spirit of the day! Also, you can pick up one of our new Kids Activity Books for free

1:20pm – Head to the FanZone:

Then, make your way to the FanZone. Although this is not a designated family area, it has a great atmosphere and lots of entertainment for all the family. You will be able to catch some live music, grab a drink and food, or check out the family-friendly Thatchers Bar.

2pm – Head to the Family Area:

After this, if you have purchased MKJ Family Stand or Cooling FX Terrace tickets, head to turnstiles 1-8 at the end of the FanZone. From here, you will be able to enter the stadium and head down to the family area. As well as more food and drinks, there will be various activities, such as face painting and an inflatable goal. You can also meet Captain Gas!

2:50pm – Take your Seats:

Both the MKJ Family Stand and Cooling FX Terrace are very close to the family area, and easily accessible, so you shouldn't have many issues in finding your place! However, if you do become slightly lost, either refer to the map on our matchday guide or ask a steward and they will point you in the right direction.

3pm – KICK-OFF:

Enjoy the game! Up the Gas!

3:45pm – Half-Time:

Help yourselves to a snack or half-time refreshments from the family area or FanZone to get you ready for the second-half!

4pm – Second-Half Kick-Off:

#UTG

Now that's covered, carry on reading to find out everything about Rovers!

4:45pm – End of the Match:

After you hopefully watch the Gas get a big win, it'll be time to leave the stadium. Usually, crowds clear quickly, but perhaps wait 5-10 minutes if you don't want to get caught up in a crowd. Travel safely back home!
